

Another big day at The Fearon!

Best players: Jake Tomasic, Sam Belden, Kaleb Halley, Lyndal Van Es, Liam Thursfield, Callum Quirk.

A gutsy, never-give-up effort. Every player was brave in their efforts all day, and the scoreboard shows how we stuck to our guns in the second half. Well done everyone.

Seniors:

	Q1	Q2	Q3	Q4	T
Williamstown	2.4	5.8	10.12	13.17	95
Moonee Valley	1.0	1.0	1.0	2.0	12

Goals: Josh Knight 4, Kelvin O'Connor 2, Patty Micallef 2, Josh Synot 2, Taz Toussaint 1, jono Kha 1, Michael Roach 1.

Best: Team effort. It's not possible to pick "best players" when everyone put themselves on the line for their teammates.

The most important win in our short history. We keep our finals aspirations alive with a percentage-boosting win. More important was the bravery, courage and discipline to stay in control and ignore the behind the play targeting. We now know we do not fear any team in FIDA. Well done everyone.

Thanks to all the people who helped out before, during and after the games. You know who you are, and it is very much appreciated.
