

## FIDA National Championships - 2013

Vic Country, captained by Williamstown's Sifa Kuila, have emerged undefeated in the first FIDA National Championships. After beating Vic Metro in a close game first up on Saturday, Vic Country held South Australia scoreless in the second match of the day. Then in the early fixture on Sunday morning, Vic Country defeated the rapidly improving NSW-ACT side, who then went on the cause the upset of the Carnival by defeating South Australia for Third Place. The Grand Final was between the top two finishers, Vic Country and Vic Metro. In a high standard encounter, the Country side matched Metro early before establishing a handy lead by half time. Metro came back strongly in the third term but Vic Country steadied and finished strongly to record an impressive and historic victory. Williamstown's Kelvin O'Connor was named Man of the Grand Final Match after an inspiring effort, while the Seagulls' other representative, Ray Causon, who had rucked strongly all day, kicked the Goal of the Day from a set shot on the boundary line into the stiff wind.

You can find all the details of the Carnival in the National Championships drop-down section under the Fixtures/Results/Ladders tab at [www.fida.org.au](http://www.fida.org.au)
